

OMEGA^{AI}+

Hear for it all.

Hear better in every moment.

Hearing your best is about
being there for it all.

And when you have the
clarity to communicate
and the confidence to
participate, there's no limit
to the connections you'll
experience in your world.

**That's the power of plus—
Starkey Omega AI+
hearing aids.**

Paired with the guidance
of an experienced hearing
care professional, they're
a smart choice for better
hearing and living.

Intelligent. Instinctive. Inclusive.

Better hearing technology should let the sounds of life unfold clearly and intuitively for your individual needs. Whether you're dining out with friends or running errands around town, it should keep you feeling connected—and your hearing loss, an afterthought.

It should be Omega AI+ hearing aids—the automatic choice for better hearing:

- + Distinctive, clear, **authentic sound**
- + Intelligence that **understands** and **adapts** to your hearing situation
- + Designed to enhance speech and **reduce noise**—automatically
- + Edge Mode feature delivers **on-demand clarity** in unexpected listening conditions

Built for hearing
every sound
along the way.

Nothing stands in the way of
hearing all day—with Omega AI+
hearing aids.

Choose the modern, discreet style
that suits your lifestyle, then let its
long-lasting comfort, durability,
and battery power do the rest.
Work or play, rain or shine.

+ All-day comfort

+ Waterproof¹
UP TO 1 METER

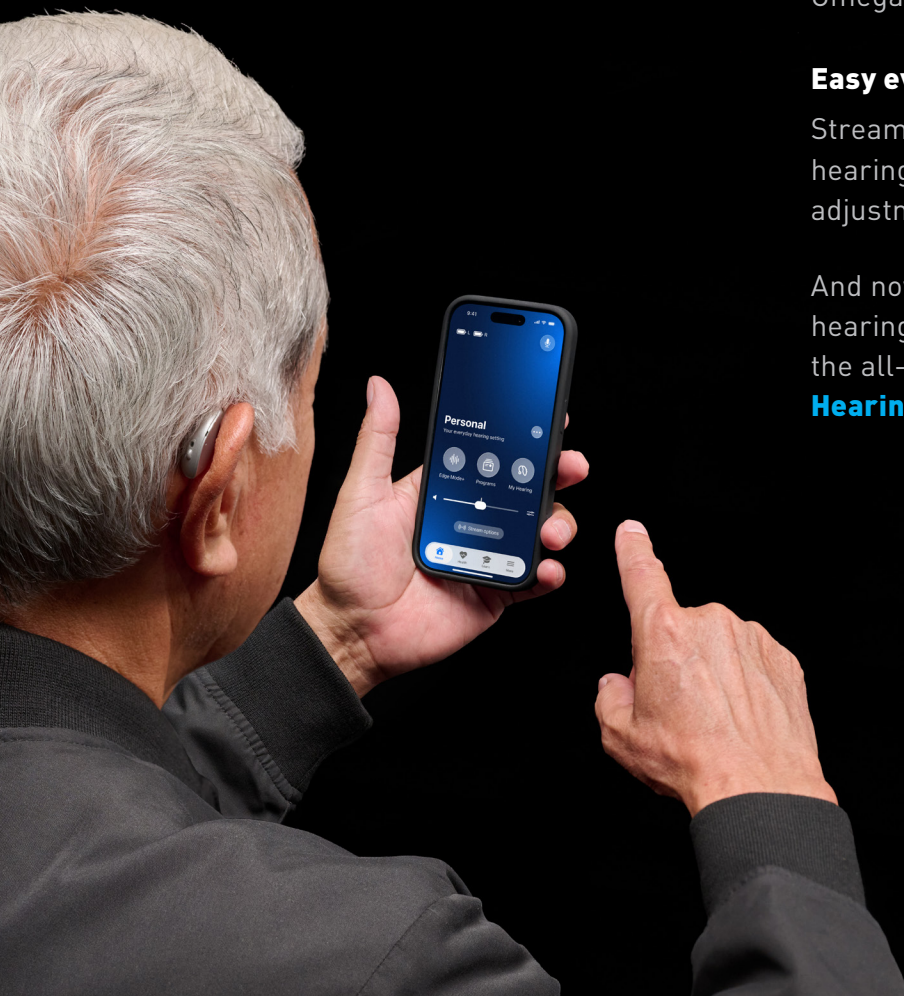

**+ UP TO
51 hours battery life**

+ Modern design

My Starkey app—for better hearing, **plus.**

Tap into greater listening moments, easier everyday living, and better overall health by pairing Omega AI+ with its plus-one—the **My Starkey app**:

Hearing control headquarters

Easily change programs, adjust volume, activate Edge Mode and more on your mobile device.

Health and activity tracking

Maintain your wellness by monitoring exercise, social activity, sleep², respiratory rate, and more. My Starkey can even alert others instantly if your Omega AI+ devices detect a fall.

Easy everyday assistance

Stream calls and TV, track lost hearing aids, and request instant adjustments—anywhere.

And now—be notified if your hearing aids aren't with you using the all-new intelligent reminder, **Hearing aids left behind.**

Staying connected, reinvented.

Simply connect to the companion
My Starkey app to enjoy:

Convenient connections

Omega AI+ works with many Apple products, plus pairs effortlessly with compatible Android devices through **Google™ Fast Pair**.

A stream for every scene

Bluetooth® Low Energy (LE) Audio enables our **Auracast™ assistant**, allowing clear listening to public broadcasts in airports, theaters, and more.

Solutions for every situation

Now everyone can enjoy LE Audio streaming with the **all-new StarLink Edge LE Adapter**—an added way³ to connect Omega AI+ with your devices.

Bring your **best** **hearing** to life.

You deserve to be there for it all,
and it all begins with the power of
plus—Omega AI+ hearing aids.

Ask your hearing care professional
for a demonstration today.

Global Headquarters
6700 Washington Ave. S.
Eden Prairie, MN 55344
1.800.328.8602

1 Rechargeable styles only.

2 Feature availability varies by location.

Please check with your hearing care professional.

3 Hearing aids must support LE Audio. Please note that most phones
and tablets with a 3.5mm audio jack will not work with this adapter.
